A single 2 inch sticker (any design 1 - 8) is FREE – If you are in Prescott I would be happy to meet with you and just hand it to you or if you are located out of town I will ship it via US mail for a \$1.50 shipping and handling charge (inside the US) just give me the address and I will get it off as soon as I can.

Sticker Quality – Stickers are printed on a vinyl material (not paper), laminated with a UV coated laminate to protect the sticker then die-cut to shape – These stickers are of the highest quality and will last for years depending on conditions, they are also easy to apply and remove.
